On September 17, 2025, WYDE started their paving of Summit Street project # 25-18401-002. The Borough Crew Placed a letter from the Borough at each residence to inform them.

There was several problems with Homeowners trying to access this street and cause problems with the Borough Crew.

I received all the Truck loads tickets from WYDE excavating except # 11. I called William at WYDE Excavating and he was going to send them to me as soon as he could get them. As of this date I still have not received them I am holding payment until I receive the information. There was approximately 22.56 tons of asphalt not accounted for. Brian
